

Philosophy is the toolbox. Business is the vehicle. *Life is where we become.*

FOUNDER, DAYALY OPS · CO-FOUNDER & ADVISOR, CEO MASTERCLASS · AI ADVISOR, SIBA WELLNESS · CO-FOUNDER, NUSA AKADEMIA

BIO

Adha Gozali is a venture architect based in Jakarta. He is the founder of Dayaly Ops, backed by Reapra, which runs dedicated operations pods in Indonesia for founders in Southeast Asia and Australia. He is co-founder and advisor of CEO MasterClass, an alternative MBA built with KADIN Indonesia; AI advisor to SiBA Wellness; and co-founder of Nusa Akademia, an international school admissions practice partnered with Starich Education Singapore. Earlier he co-founded abeingisasaking, a philosophy education platform, and Kasir Kilat, a point-of-sale app for Indonesian SMEs. Adha studied philosophy at Universitas Indonesia and completed the INSIDE LVMH programme. He speaks to universities, founders and operators on applied philosophy, practical AI, and building a business without losing the life it is meant to serve.
